12

13 **NEW SECTION. Section 6. Use of local option sales tax revenue -- bond issue -- pledge.** (1) Unless
14 otherwise restricted by the voter-approved tax authorization provided for in [section 4], a municipality or county
15 may appropriate and expend revenue derived from a local option sales tax for any activity, undertaking, or
16 administrative service that the municipality or county is authorized by law to perform, including costs resulting
17 from the imposition of the tax.

18 (2) A municipality or county may issue bonds to provide, install, or construct any of the public facilities,
19 improvements, or undertakings authorized under 7-7-4101, 7-7-4404, and 7-12-4102. Bonds issued under this
20 section must be authorized by a resolution of the governing body, stating the terms, conditions, and covenants
21 of the municipality or county that the governing body considers appropriate. The bonds may be sold at a discount
22 at a public or private sale.

23 (3) A municipality or county may pledge for repayment of bonds issued under this section the revenue
24 derived from a local option sales tax, special assessments levied for and revenue collected from the facilities,
25 improvements, or undertakings for which the bonds are issued, and any other source of revenue authorized by
26 the legislature to be imposed or collected by the municipality or county. The bonds do not constitute debt for
27 purposes of any statutory debt limitation, provided that in the resolution authorizing the issuance of the bonds,
28 the municipality or county determines that the local option sales tax revenue, special assessments levied for and
29 revenue from the facilities, improvements, or undertakings, or other sources of revenue, if any, pledged to the
30 payment of the bonds will be sufficient in each year to pay the principal and interest of the bonds when due.

1 Bonds may not be issued pledging proceeds of the local option sales tax for repayment unless the municipality
 2 or county that adopted the resolution authorizing issuance of the bonds determines that in any fiscal year the
 3 annual revenue expected to be derived from the local option sales tax will pay the amount of the principal and
 4 interest payable on the bonds and any other outstanding bonds payable from the local option sales tax except
 5 any bonds to be refunded upon the issuance of the proposed bonds even if the county in which a municipality
 6 is located or other municipalities within a county enact a local option sales tax.

7
 8 **NEW SECTION. Section 7. Distribution of local option sales tax proceeds.** (1) Revenue from a
 9 municipal local option sales tax is retained by the municipality.

10 (2) A local option sales tax imposed by the county must be levied countywide. Unless otherwise provided
 11 by agreements with municipalities, the county shall, at least quarterly, distribute local option sales tax revenue
 12 to the municipalities in the following manner:

13 (a) 50% of the amount of local option sales tax revenue received by the county must be distributed based
 14 on population by calculating the ratio of the population of each municipality in the county to the population of the
 15 county as derived from the most recent estimates by the U.S. bureau of the census or, if estimates are not
 16 available, derived from the most recent federal decennial census; and

17 (b) the remaining 50% of the amount retained by the county must be distributed based on the point of
 18 origin of the local option sales tax revenue.

19 (3) (a) For purposes of revenue distribution under this section, a resort community, resort area, or resort
 20 area district that has imposed a tax pursuant to Title 7, chapter 6, part 15, must be excluded from the revenue
 21 distribution and population calculations.

22 (b) A resort community, resort area, or resort area district that has agreed to not impose its tax and be
 23 subject to a county local option tax as provided in [section 8(3)] is entitled to receive county local option sales tax
 24 proceeds.

25
 26 **NEW SECTION. Section 8. Double taxation prohibited.** (1) Except as provided in subsection (2),
 27 a local option sales tax may not be imposed on the same goods or services by more than one local government,
 28 including a resort community, resort area, or resort area district imposing a tax under Title 7, chapter 6, part 15.

29 (2) (a) If both a county and a municipality adopt a local option sales tax, the combined rate may not
 30 exceed 4%. The second entity to adopt the tax is limited to imposing a tax rate that is equal to or less than the

1 difference between the amount of the existing rate and 4%. If a county adopts a 4% sales tax on any item, no
 2 municipality within the county may impose a local option sales tax on that item. However, a municipality within
 3 a county may impose a local option sales tax on items that are not subject to the county local option sales tax,
 4 and the rate of tax imposed by the municipality may be 4% on those items. If a county adopts a 4% sales tax, a
 5 municipality within the county shall repeal or amend the municipal tax without a vote of the electorate.

6 (b) To coordinate two local option sales taxes imposed within the same area, the rate of the local option
 7 sales tax, the goods and services to be taxed, the duration of the tax, and restrictions on the use of tax revenue
 8 may be changed by submitting the question to the electorate of the local government that has an existing local
 9 option sales tax. The ballot question may be submitted contingent upon adoption of a local option sales tax by
 10 another entity. The governing bodies of the municipality and county may, by agreement, establish common
 11 administrative procedures for the administration and collection of the tax.

12 (3) A county local option sales tax may not be imposed in an existing resort community, resort area, or
 13 resort area district. However, an existing resort community, resort area, or resort area district may agree to not
 14 impose its tax and be subject to a county local option sales tax. IF A RESORT AREA IS ESTABLISHED, A COUNTY LOCAL
 15 OPTION SALES TAX MAY NOT BE IMPOSED WITHIN THE RESORT AREA. IF A COUNTY IMPOSES A LOCAL OPTION SALES TAX
 16 AT THE TIME THAT THE RESORT AREA IS ESTABLISHED, THE COUNTY LOCAL OPTION SALES TAX MAY NOT BE IMPOSED
 17 WITHIN THE RESORT AREA.

18

4 **Section 12.** Section 15-10-420, MCA, is amended to read:

5 **"15-10-420. Procedure for calculating levy.** (1) (a) Subject to the provisions of this section, a
6 governmental entity that is authorized to impose mills may impose a mill levy sufficient to generate the amount
7 of property taxes actually assessed in the prior year plus one-half of the average rate of inflation for the prior 3
8 years. ~~The Subject to subsection (10),~~ the maximum number of mills that a governmental entity may impose is
9 established by calculating the number of mills required to generate the amount of property tax actually assessed
10 in the governmental unit in the prior year based on the current year taxable value, less the current year's value
11 of newly taxable property, plus one-half of the average rate of inflation for the prior 3 years.

12 (b) A governmental entity that does not impose the maximum number of mills authorized under
13 subsection (1)(a) may carry forward the authority to impose the number of mills equal to the difference between
14 the actual number of mills imposed and the maximum number of mills authorized to be imposed. The mill authority
15 carried forward may be imposed in a subsequent tax year.

16 (c) For the purposes of subsection (1)(a), the department shall calculate one-half of the average rate of
17 inflation for the prior 3 years by using the consumer price index, U.S. city average, all urban consumers, using
18 the 1982-84 base of 100, as published by the bureau of labor statistics of the United States department of labor.

19 (2) A governmental entity may apply the levy calculated pursuant to subsection (1)(a) plus any additional
20 levies authorized by the voters, as provided in 15-10-425, to all property in the governmental unit, including newly
21 taxable property.

22 (3) (a) For purposes of this section, newly taxable property includes:

23 (i) annexation of real property and improvements into a taxing unit;

24 (ii) construction, expansion, or remodeling of improvements;

25 (iii) transfer of property into a taxing unit;

26 (iv) subdivision of real property; and

27 (v) transfer of property from tax-exempt to taxable status.

28 (b) Newly taxable property does not include an increase in value that arises because of an increase in
29 the incremental value within a tax increment financing district.

30 (4) (a) For the purposes of subsection (1), the taxable value of newly taxable property includes the

1 release of taxable value from the incremental taxable value of a tax increment financing district because of:

2 (i) a change in the boundary of a tax increment financing district;

3 (ii) an increase in the base value of the tax increment financing district pursuant to 7-15-4287; or

4 (iii) the termination of a tax increment financing district.

5 (b) If a tax increment financing district terminates prior to the certification of taxable values as required
6 in 15-10-202, the increment value is reported as newly taxable property in the year in which the tax increment
7 financing district terminates. If a tax increment financing district terminates after the certification of taxable values
8 as required in 15-10-202, the increment value is reported as newly taxable property in the following tax year.

9 (c) For the purpose of subsection (3)(a)(iv), the subdivision of real property includes the first sale of real
10 property that results in the property being taxable as class four property or as nonqualified agricultural land as
11 described in 15-6-133(1)(c).

12 (5) Subject to subsection (8), subsection (1)(a) does not apply to:

13 (a) school district levies established in Title 20; or

14 (b) the portion of a governmental entity's property tax levy for premium contributions for group benefits
15 excluded under 2-9-212 or 2-18-703.

16 (6) For purposes of subsection (1)(a), taxes imposed do not include net or gross proceeds taxes received
17 under 15-6-131 and 15-6-132.

18 (7) In determining the maximum number of mills in subsection (1)(a), the governmental entity may
19 increase the number of mills to account for a decrease in reimbursements.

20 (8) The department shall calculate, on a statewide basis, the number of mills to be imposed for purposes
21 of 15-10-107, 20-9-331, 20-9-333, 20-9-360, 20-25-423, and 20-25-439. However, the number of mills calculated
22 by the department may not exceed the mill levy limits established in those sections. The mill calculation must be
23 established in whole mills. If the mill levy calculation does not result in a whole number of mills, then the
24 calculation must be rounded up to the nearest whole mill.

25 (9) (a) The provisions of subsection (1) do not prevent or restrict:

26 (i) a judgment levy under 2-9-316, 7-6-4015, or 7-7-2202;

27 (ii) a levy to repay taxes paid under protest as provided in 15-1-402; or

28 (iii) an emergency levy authorized under 10-3-405, 20-9-168, or 20-15-326.

29 (b) A levy authorized under subsection (9)(a) may not be included in the amount of property taxes
30 actually assessed in a subsequent year.

1 (10) A mill levy that has been reduced because of tax relief resulting from imposition of a local option
 2 sales tax as provided in [sections 1 through 8] may not be reinstated while the local option sales tax is in effect
 3 unless the levy increase is approved at an election pursuant to 15-10-425.

4 ~~(10)~~(11) A governmental entity may levy mills for the support of airports as authorized in 67-10-402,
 5 67-11-301, or 67-11-302 even though the governmental entity has not imposed a levy for the airport or the airport
 6 authority in either of the previous 2 years and the airport or airport authority has not been appropriated operating
 7 funds by a county or municipality during that time.

8 ~~(11)~~(12) The department may adopt rules to implement this section. The rules may include a method for
 9 calculating the percentage of change in valuation for purposes of determining the elimination of property, new
 10 improvements, or newly taxable property in a governmental unit."

11

12 **Section 13.** Section 16-4-420, MCA, is amended to read:

13 **"16-4-420. Restaurant beer and wine license.** (1) The department shall issue a restaurant beer and
 14 wine license to an applicant whenever the department determines that the applicant, in addition to satisfying the
 15 requirements of this section, meets the following qualifications and conditions:

17 (i) the applicant's past record and present status as a purveyor of alcoholic beverages and as a business

 25 the outstanding stock must meet the requirements for an individual listed in subsection (1)(a); and

26 (iii) the corporation is authorized to do business in Montana;

27 (c) in the case of any other business entity, including but not limited to partnerships, including limited
 28 liability partnerships, limited partnerships, and limited liability companies, but not including any form of a trust:

 30 subsection (1)(a); and

1 (ii) if the applicant consists of more than one corporation, all corporations listed on a national stock
2 exchange must meet the requirements of subsection (1)(b)(i) and corporations not listed on a national stock
3 exchange must meet the requirements of subsection (1)(b)(ii);

4 (d) the applicant operates a restaurant at the location where the restaurant beer and wine license will
5 be used or satisfies the department that:

6 (i) the applicant intends to open a restaurant that will meet the requirements of subsection (6) and
7 intends to operate the restaurant so that at least 65% of the restaurant's gross income during its first year of
8 operation is expected to be the result of the sale of food;

9 (ii) the restaurant beer and wine license will be used in conjunction with that restaurant, that the
10 restaurant will serve beer and wine only to a patron who orders food, and that beer and wine purchases will be
11 stated on the food bill; and

12 (iii) the restaurant will serve beer and wine from a service bar, as service bar is defined by the department
13 by rule;

14 (e) the applicant understands and acknowledges in writing on the application that this license prohibits
15 the applicant from being licensed to conduct any gaming or gambling activity or operate any gambling machines
16 and that if any gaming or gambling activity or machine exists at the location where the restaurant beer and wine
17 license will be used, the activity must be discontinued or the machines must be removed before the restaurant
18 beer and wine license takes effect; and

19 (f) the applicant states the planned seating capacity of the restaurant, if it is to be built, or the current
20 seating capacity if the restaurant is operating.

21 (2) (a) A restaurant that has an existing retail license for the sale of beer, wine, or any other alcoholic
22 beverage may not be considered for a restaurant beer and wine license at the same location.

23 (b) A restaurant that sells its existing retail license may not apply for a license under this section for a
24 period of 1 year from the date that license is transferred to a new purchaser.

25 (3) A completed application for a license under this section and the appropriate application fee, as
26 provided in subsection (11), must be submitted to the department. The department shall investigate the items
27 relating to the application as described in subsections (3)(a) through (3)(d). Based on the results of the
28 investigation and the exercise of its sound discretion, the department shall determine whether:

29 (a) the applicant is qualified to receive a license;

30 (b) the applicant's premises are suitable for the carrying on of the business;

1 (c) the requirements of this code and the rules promulgated by the department are complied with; and
2 (d) the seating capacity stated on the application is correct.

3 (4) An application for a beer and wine license submitted under this section is subject to the provisions
4 of 16-4-203, 16-4-207, and 16-4-405.

5 (5) If a premises proposed for licensing under this section is a new or remodeled structure, then the
6 department may issue a conditional license prior to completion of the premises based on reasonable evidence,
7 including a statement from the applicant's architect or contractor confirming that the seating capacity stated on
8 the application is correct, that the premises will be suitable for the carrying on of business as a bona fide
9 restaurant, as defined in subsection (6).

10 (6) For purposes of this section, "restaurant" means a public eating place where individually priced meals
11 are prepared and served for on-premises consumption. At least 65% of the restaurant's annual gross income from
12 the operation must be from the sale of food and not from the sale of alcoholic beverages. Each year after a
13 license is issued, the applicant shall file with the department a statement, in a form approved by the department,
14 attesting that at least 65% of the gross income of the restaurant during the prior year resulted from the sale of
15 food. The restaurant must have a dining room, a kitchen, and the number and kinds of employees necessary for
16 the preparation, cooking, and serving of meals in order to satisfy the department that the space is intended for
17 use as a full-service restaurant. A full-service restaurant is a restaurant that provides an evening dinner meal.

18 (7) (a) (i) Subject to the conditions of subsection (7)(a)(ii), a restaurant beer and wine license may be
19 transferred, upon approval by the department, from the original applicant to a new owner of the restaurant if there
20 is no change of location, and the original owner may transfer location after the license is issued by the department
21 to a new location, upon approval by the department.

22 (ii) A new owner may not transfer the license to a new location for a period of 1 year following the transfer
23 of the license to the new owner.

24 (b) A license issued under this section may be jointly owned, and the license may pass to the surviving
25 joint tenant upon the death of the other tenant. However, the license may not be transferred to any other person
26 or entity by operation of the laws of inheritance or succession or any other laws allowing the transfer of property
27 upon the death of the owner in this state or in another state.

28 (c) An estate may, upon the sale of a restaurant that is property of the estate and with the approval of
29 the department, transfer a restaurant beer and wine license to a new owner.

30 (8) (a) The department shall issue a restaurant beer and wine license to a qualified applicant:

1 (i) for a restaurant located in a quota area with a population of 20,000 persons or fewer, as the quota
2 area population is determined in 16-4-105, if the number of restaurant beer and wine licenses issued in that quota
3 area is equal to or less than 80% of the number of beer licenses that may be issued in that quota area pursuant
4 to 16-4-105;

5 (ii) for a restaurant located in a quota area with a population of 20,001 to 60,000 persons, as the quota
6 area population is determined in 16-4-105, if the number of restaurant beer and wine licenses issued in that quota
7 area is equal to or less than 50% of the number of beer licenses that may be issued in that quota area pursuant
8 to 16-4-105;

9 (iii) for a restaurant located in a quota area with a population of 60,001 persons or more, as the quota
10 area population is determined in 16-4-105, if the number of restaurant beer and wine licenses issued in that quota
11 area is equal to or less than 40% of the number of beer licenses that may be issued in that quota area pursuant
12 to 16-4-105; and

13 (iv) for a restaurant located in a quota area that ~~is also~~ was a resort community prior to [the effective date
14 of this act], ~~as the resort community is that had been~~ designated by the department of commerce under
15 7-6-1501(5) as that section read prior to [the effective date of this act], if the number of restaurant beer and wine
16 licenses issued in the quota area that ~~is~~ was also a resort community is equal to or less than 100% of the number
17 of beer licenses that may be issued in that quota area pursuant to 16-4-105.

18 (b) In determining the number of restaurant beer and wine licenses that may be issued under this
19 subsection (8) based on the percentage amounts described in subsections (8)(a)(i) through (8)(a)(iii), the
20 department shall round to the nearer whole number.

21 (c) If the department has issued the number of restaurant beer and wine licenses authorized for a quota
22 area under subsections (8)(a)(i) through (8)(a)(iii), there must be a one-time adjustment of one additional license
23 for that quota area.

24 (d) If there are more applicants than licenses available in a quota area, then the license must be awarded
25 by lottery as provided in subsection (9).

26 (9) (a) When a restaurant beer and wine license becomes available by the initial issuance of licenses
27 under this section or as the result of an increase in the population in the quota area, the nonrenewal of a
28 restaurant beer and wine license, or the lapse or revocation of a license by the department, then the department
29 shall advertise the availability of the license in the quota area for which it is available. If there are more applicants
30 than number of licenses available, the license must be awarded to an applicant by a lottery.

1 (b) Any applicant who operates a restaurant that meets the qualifications of subsection (6) for at least
2 12 months prior to the filing of an application must be given a preference, and any unsuccessful lottery applicants
3 from previous selections must also be given a preference. An applicant with both preferences must be awarded
4 a license before any applicant with only one preference.

5 (c) The department shall numerically rank all applicants in the lottery. Only the successful applicants will
6 be required to submit a completed application and a one-time required fee. An applicant's ranking may not be
7 sold or transferred to another person or entity. The preference and an applicant's ranking apply only to the
8 intended license advertised by the department or to the number of licenses determined under subsection (8)
9 when there are more applicants than licenses available. The applicant's qualifications for any other restaurant
10 beer and wine license awarded by lottery must be determined at the time of the lottery.

11 (10) Under a restaurant beer and wine license, beer and wine may not be sold for off-premises
12 consumption.

13 (11) An application for a restaurant beer and wine license must be accompanied by a fee equal to 20%
14 of the initial licensing fee. If the department does not make a decision either granting or denying the license within
15 4 months of receipt of a complete application, the department shall pay interest on the application fee at the rate
16 of 1% a month until a license is issued or the application is denied. Interest may not accrue during any period that
17 the processing of an application is delayed by reason of a protest filed pursuant to 16-4-203 or 16-4-207. If the
18 department denies an application, the application fee, plus any interest, less a processing fee established by rule,
19 must be refunded to the applicant. Upon the issuance of a license, the licensee shall pay the balance of the initial
20 licensing fee. The amount of the initial licensing fee is determined according to the following schedule:

21 (a) \$5,000 for restaurants with a stated seating capacity of 60 persons or less;

22 (b) \$10,000 for restaurants with a stated seating capacity of 61 to 100 persons; or

23 (c) \$20,000 for restaurants with a stated seating capacity of 101 persons or more.

24 (12) The annual fee for a restaurant beer and wine license is \$400.

25 (13) If a restaurant licensed under this part increases the stated seating capacity of the licensed
26 restaurant or if the department determines that a licensee has increased the stated seating capacity of the
27 licensed restaurant, then the licensee shall pay to the department the difference between the fees paid at the time
28 of filing the original application and issuance of a license and the applicable fees for the additional seating.

29 (14) The number of beer and wine licenses issued to restaurants with a stated seating capacity of 101
30 persons or more may not exceed 25% of the total licenses issued.

1 (15) Possession of a restaurant beer and wine license is not a qualification for licensure of any gaming
2 or gambling activity. A gaming or gambling activity may not occur on the premises of a restaurant with a
3 restaurant beer and wine license."
